*87.1 Any cash dividend or other moneys payable in respect of a share will be paid by electronic means directly to such bank account as may be designated by the holder or, in the case of a share held jointly by more than one Person, to the account designated by the Member nominated and named in the Register of Members. Should there be no such nomination, the dividend shall be paid into the account designated by the first named joint Member appearing on the Register of Members:*

*PROVIDED that where no account has been designated by the Member, the dividend is to be kept by the Company for collection by the Member entitled to such dividend or for payment by electronic means as aforesaid when the account is made known to the Company by the Member. PROVIDED that, in the case of a share held by joint holders, anyone of such holders may give an effective and valid receipt for all dividends and payments on account of dividends and payments in respect of such share. The payment of dividend to any account designated by one of the joint holders shall be deemed to be a good discharge to the Company.*

*PROVIDED FURTHER that, nothing in this Article shall preclude the Company from offering to pay dividends to its Members by any other means.*
