

GO SMART WI-FI TERMS AND CONDITIONS

These terms and conditions were last updated on the 12th of May 2020

A. Your Agreement

- These terms and conditions are for a supplementary Internet service (the "Wi-Fi Service") and should be read in conjunction with the General terms and conditions, the Product terms and conditions, the Bundle terms and conditions, the Tariff terms and conditions, Schedule of Charges and any other applicable terms and conditions. Unless the contrary is stated, in the event of any conflict between these terms and conditions, the applicable terms and conditions for fixed Internet (the "Service") shall prevail. These terms and conditions form an integral part of Your Agreement for the provision of the Wi-Fi Service with Us.
- The Wi-Fi Service applicable to Your Agreement is specified in the Application Form or through other means by which You have applied for the Wi-Fi Service. We reserve the right to stop, suspend, amend or otherwise alter this Wi-Fi Service, the applicable charges and any benefits derived through it, as well as these terms and conditions, in accordance with applicable laws.
- By subscribing to this Wi-Fi Service You are agreeing to all of the terms and conditions found in the Agreement. If You do not agree to any of these terms, You should not subscribe to this Wi-Fi Service.

B. Definitions

- 'Home' means that the Premises where the Wi-Fi Service is registered is used wholly:
 - For residential purposes;
 - As non-governmental organisational Premises, if We decide in Our sole discretion to allow the said non-governmental organisations to benefit from this Wi-Fi Service.
- 'Business' means that the Premises where the Service is registered is used wholly for business purposes;

C. GO Smart Wi-Fi

- The GO Smart Wi-Fi service, hereinafter referred to as 'Wi-Fi Service' provides increased Wi-Fi network stability within Your Premises. When subscribing to the Wi-Fi Service You will be entitled to:
 - Use of wireless networking (Wi-Fi) equipment (up to four GO Smart Wi-Fi Pods);
 - Use and access to AirTies Wi-Fi Android and / or iOS application via a web interface for setting-up and tuning the functioning of Your Wi-Fi Service.
- By making Use of the AirTies Wi-Fi application for iOS and Android devices You will be agreeing to allow AirTies and GO to begin collecting information from Your Wi-Fi network and devices connected to that network, including but not limited to IP address, MAC address, device type, operating system, geolocation, and network traffic data. The data is stored for a period of 7 days and can be accessed by You using the AirTies Wi-Fi application interface for iOS and Android devices and by Us. This information is used by Us for trouble shooting and statistical purposes. For more information on how We process Your personal information please refer to Our Privacy Policy www.go.com.mt/privacy-policy.

D. Other important Service information;

- We are not responsible for the speed attained by third party services, including websites.
- When You are connected to the Service, the speed that can be attained on Our network may vary depending on a number of factors, such as Our Network strength, the location of where the Wi-Fi Service is installed in Your Home, the number of devices You have connected to the Wi-Fi Service and/or the Service at any point in time, as well as the connection speed that can be reached by Your devices. You may thus not always be able to reach the maximum speeds available to You on this Wi-Fi Service.

E. Service Activation & Charges

- The Wi-Fi Service will be activated for You on the date that You subscribe and sign an Agreement with Us.
- The Wi-Fi Service can be obtained against the following payment:
