Speeds of the internet service and remedies:

We will endeavour to provide you with a consistent and fault-free service, however we acknowledge that this may not always be possible. If you encounter a fault or a problem with our service, you should inform us and we will look into it. If, upon further investigation you are still not satisfied with the outcome, you may contact the Malta Communications Authority (MCA), Valletta Waterfront, Valletta, or in any other office they may hold at the time.
