Should we not hear from You within these 30 days, You will then automatically be bound to the remaining Minimum term as stated in Your Agreement.
 - b. If at the time of application You subscribed to a Bundle other than Home Pack Turbo and You later accept to be provided with a Smart Hub that is, You accept to have Your Bundle installed over a fixed wireless mobile connection, Your Agreement and billing will automatically be updated to Home Pack Turbo and any additional conditions and/or benefits that You were entitled to on any other Bundle will not remain applicable.
